

CITY COUNCIL REPORT

Meeting Date: June 17, 2014
General Plan Element: *Public Services & Facilities*
General Plan Goal: *Provide services to improve neighborhoods and the lives of Scottsdale residents*

ACTION

Adopt Resolution No. 9791, approving Salt River Pima Maricopa Indian Community (SRPMIC) tribal gaming grant funds for FY 2014/15 in the amount of \$167,951 to non-profit agencies to fund social service programs; authorizing the Mayor to execute contracts, effective July 1, 2014, for services to be funded through this program that exceed the formal bid limit (\$25,000); and authorizing the Executive Director, Community Services; or designee, to execute those that do not exceed the formal bid limit. \$167,951 is available from previous year's SRPMIC grant awards and this amount has been included in the proposed fiscal year 2014/15 budget.

Related Policies, References:

Resolution No. 8616, approved on April 5, 2011 Resolution No. 8943, approved on April 6, 2012 and Resolution No. authorized the Government Relations Director, on behalf of the City, to make application to Local Indian Nations for tribal gaming revenues for public benefit.

BACKGROUND

The provisions of the tribal-state gaming compacts developed pursuant to Proposition 202 require the City and the respective Indian Community to act cooperatively in order for the distribution of funds to benefit Scottsdale area residents. Proposition 202 establishes the conditions pursuant to which the governor entered into a new tribal-state gaming compact.

One legal requirement of tribal-state gaming compacts provides that tribes contribute a certain percentage of gaming revenues for public benefit ("Tribal Contribution"). Twelve percent (12%) of a tribe's total annual contribution is to be shared with cities, towns and counties of the tribe's choosing, to be used for government services that benefit the general public, such as public safety, mitigation of impacts of gaming, and promotion of commerce and economic development.

In addition to directly receiving funds for City sponsored programs, the City has previously been asked to accept and pass through funds to local non-profit organizations for programs benefitting the public.

ANALYSIS & ASSESSMENT

Recent Staff Action

Each year, the City solicits proposals from non-profit agencies to deliver services to low and moderate-income families through a very comprehensive, competitive public process. Applications for CDBG, HOME, Scottsdale Cares, General Funds and Endowment are evaluated and scored by the Human Services Commission and are recommended for funding based on key strategic objectives identified in the City's Five-Year Consolidated Plan. The number of funds requested each year far exceed the amounts available. Many valuable programs and services do not get funded.

In FY 2013/14 the Human Services Commission provided direction to City staff to seek alternative funding sources for food programs, other than Community Development Block Grant (CDBG), Scottsdale Cares, and General Funds. Staff researched alternate resources and identified programs/services that would be eligible to be funded with SRPMIC funds.

The four grant proposals, submitted through the annual funding process, from Foothills Caring Corps, Concerned Citizens for Community Health (CCCH), and Tempe Community Action Agency (TCAA) each propose to serve the most vulnerable populations of our community, by providing food as their primary service. SRPMIC Grant Funding is available through previous grant awards to provide full funding for FY 2014/15 for these agencies applying for funds. Therefore, the four grant applications were removed from CDBG and Scottsdale Cares funding categories and are recommended for SRPMIC gaming grant funds, allowing for available CDBG and Scottsdale Cares funds to be allocated to other worthy services.

Significant Issues to be Addressed

SRPMIC funds of \$167,951 will be leveraged with other resources received by these non-profit agencies to provide food services to elderly, disabled and/or homebound Scottsdale residents.

Community Involvement

The FY 2014/15 funding process began on September 6, 2013, with an advertisement in the Arizona Republic for "Notice of Request for Proposal and Funding Availability Public Hearing." In addition, request for proposal letters were mailed out to over 300 agencies. An informal orientation for prospective applicants was held on October 3, 2013 in the Civic Center Library Auditorium. Interested agencies submitted their applications to the Community Assistance Office on or prior to November 5, 2013. On February 6, 2014 agencies presented their programs to the Human Services Commission in a public meeting.

RESOURCE IMPACTS

Available funding

This action will allocate \$167,951 of Salt River Pima Maricopa Indian Community (SRPMIC) tribal gaming grant funds for FY 2014/15 to fund social service programs. These amounts were anticipated and included in the proposed fiscal year 2014/15 budget.

Future Budget Implications

There are no on-going funding requirements for SRPMIC tribal gaming grant funds awarded for FY 2014/15.

OPTIONS & STAFF RECOMMENDATION

Recommended Approach

Adopt Resolution No. 9791, approving Salt River Pima Maricopa Indian Community (SRPMIC) tribal gaming grant funds for FY 2014/15 in the amount of \$167,951 to non-profit agencies to fund social service programs; authorizing the Mayor to execute contracts, effective July 1, 2014, for services to be funded through this program that exceed the formal bid limit (\$25,000); and authorizing the Executive Director, Community Services; or designee, to execute those that do not exceed the formal bid limit. \$167,951 is available from previous year's SRPMIC grant awards and this amount has been included in the proposed fiscal year 2014/15 budget.

Description of Option B

Do not adopt Resolution No. 9791. Three non-profit agencies that deliver critical services to elderly, disabled and/or homebound Scottsdale residents will not receive funding in the total amount of \$167,951.

Proposed Next Steps

Upon adoption of Resolution No. 9791, staff will negotiate contracts with the agencies that have been awarded funds, and finalize them for execution by the Mayor, Executive Director, or designee, as applicable. Contracts for services will begin July 1, 2014.

To the fullest extent permitted by law, Agency, its successors, assigns and guarantors, shall defend, indemnify and hold harmless City of Scottsdale, its agents, representatives, officers, directors, officials and employees from and against all allegations, demands, proceedings, suits, actions, claims, damages, losses, expenses, including but not limited to, attorney fees, court costs, and the cost of appellate proceedings, and all claim adjusting and handling expense, related to, arising from or out of or resulting from any negligent or intentional actions, acts, errors, mistakes or omissions caused in whole or part by Agency relating to work or services in the performance of this Agreement, including but not limited to, any Subcontractor or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable and any injury or damages claimed by any of Agency's and

Subcontractor's employees.

Insurance provisions stated in this Agreement are separate and independent from the indemnity provisions of this section and shall not be construed in any way to limit the scope and magnitude of the indemnity provisions. The indemnity provisions of this section shall not be construed in any way to limit the scope and magnitude and applicability of the insurance provisions.

4.28 OWNERSHIP OF PROJECT DOCUMENTS

All documents, including but not limited to notes, records, data compilations, studies, and reports in any format, including but not limited to, written or electronic media, prepared in the performance of this Agreement shall remain the property of the City and shall be delivered to the Contract Administrator before final payment is made to the Agency.

When the work detail covers only the preparation of preliminary reports or documents, there will be no limitations upon the City concerning use of the ideas or recommendations in the reports or documents. The City will release the Agency from any liability for the preparation and use of preliminary reports or documents.

Any use of the project documents for purposes other than intended under this Agreement will be at the sole risk of the City, and the Agency will not be liable for any losses or injuries arising out of that use.

4.29 COMPLETENESS AND ACCURACY

The Agency shall be responsible for the completeness and accuracy of work prepared by the Agency and shall correct, at its expense, all errors or omissions which may be disclosed. The cost to correct those errors shall be chargeable to the Agency. Additional work or construction added to the project shall not be the responsibility of the Agency unless the need for additional work or construction was created by any error, omission, or negligent act of the Agency. The City's acceptance of the Agency's work shall not relieve the Agency of any of its responsibilities. The professional standard to which the Agency is held shall be that of a similar agency or entity as practiced in the State of Arizona.

4.30 ALTERATIONS OR ADDITIONS TO SCOPE OF SERVICES

The total Scope of the Services to be performed is stated in this Agreement. Any services requested outside the scope of work are additional services. The Agency will not perform these additional services without a written Change Order approved by the City. If the Agency performs additional services without a Change Order, the Agency will not receive any additional compensation.

4.31 EQUAL EMPLOYMENT OPPORTUNITY

During the performance of this Agreement, the Agency will follow the Federal government's guidelines to ensure that employees or applicants applying for employment will not be discriminated against because of race, color, religion, sex or national origin.

4.32 THIRD PARTY BENEFICIARY

4.33 CONTRACTOR ON SITE SAFETY REPORTING REQUIREMENTS

For any non-construction City supplier whose service contract(s) (either singular or in aggregate) results in the contractor working 500 or more hours on site at a City of Scottsdale location(s) in any one calendar quarter, the following documentation must be provided by the contractor to the Contract Administrator:

- the contractor's most recent OSHA 300A (if applicable);
- all accident reports for injuries that occurred in the city under the contract during the most recent review period;
- the contractor's current worker's compensation experience modifier;
- the above information is to be provided to the Contract Administrator initially and every February thereafter as long as the contract is in force;
- the Contract Administrator will provide this information to Risk Management when requested.

5.0 INSURANCE

A current standard Acord Certificate is acceptable.

Failure to provide an appropriate Certificate of Insurance will result in rejection of your certificate and delay in execution of the Agreement.

Additionally, Certificates of Insurance submitted without referencing an Agreement number will be subject to rejection and returned or discarded.

5.1 INSURANCE REPRESENTATIONS AND REQUIREMENTS

- 5.1.1 **General:** Agency agrees to comply with all applicable City ordinances and state and federal laws and regulations. Without limiting any obligations or liabilities of Agency, Agency must purchase and maintain, at its own expense, the stipulated minimum insurance with insurance companies duly licensed by the State of Arizona (admitted insurer) with an AM Best, Inc. rating of B ++ 6 or above or an equivalent qualified unlicensed insurer by the State of Arizona (non-admitted insurer) with policies and forms satisfactory to City of Scottsdale. Failure to maintain insurance as specified may result

in termination of this Agreement at City of Scottsdale's option.

- 5.1.2 No Representation of Coverage Adequacy: By requiring insurance, City of Scottsdale does not represent that coverage and limits will be adequate to protect Agency. City of Scottsdale reserves the right to review any and all of the insurance policies and/or endorsements cited in this Agreement but has no obligation to do so. Failure to demand evidence of full compliance with the insurance requirements stated in this Agreement or failure to identify any insurance deficiency shall not relieve Agency from, nor be construed or deemed a waiver of, its obligation to maintain the required insurance at all times during the performance of this Agreement.
- 5.1.3 Coverage Term: All insurance required by this Agreement shall be maintained in full force and effect until all work or services required to be performed under the terms of this Agreement are satisfactorily performed, completed and formally accepted by the City of Scottsdale, unless specified otherwise in this Agreement.
- 5.1.4 Claims Made: In the event any insurance policies required by this Agreement are written on a "claims made" basis, coverage shall extend, either by keeping coverage in force or purchasing an extended reporting option, for three (3) years past completion and acceptance of the work or services evidenced by submission of annual Certificates of Insurance citing applicable coverage is in force and contains the provisions as required herein for the three (3) year period.
- 5.1.5 Policy Deductibles and or Self Insured Retentions: The policy requirements may provide coverage which contain deductibles or self-insured retention amounts. These deductibles or self-insured retention shall not be applicable with respect to the policy limits provided to City of Scottsdale. Agency is solely responsible for any deductible or self-insured retention amount. City of Scottsdale, at its option, may require Agency to secure payment of the deductible or self-insured retention by a surety bond or irrevocable and unconditional Letter of Credit.
- 5.1.6 Use of Subcontractors: If any work under this Agreement is subcontracted in any way, Agency shall execute a written agreement with Subcontractor containing the same Indemnification Clause and Insurance Requirements as stated in this Agreement protecting City of Scottsdale and Agency. Agency is responsible for executing the agreement with Subcontractor and obtaining Certificates of Insurance verifying the insurance requirements.
- 5.1.7 Evidence of Insurance and Required Endorsements: Before starting any work or services under this Agreement, Agency shall furnish City of Scottsdale with Certificate(s) of Insurance, or formal endorsements as required by this Agreement, issued by Agency's insurer(s) as evidence that policies are placed with acceptable insurers as specified in this Agreement and provide the required coverage, conditions, and limits of coverage and that this coverage and the provisions are in full force and effect. If a Certificate of Insurance is submitted as verification of coverage, City of Scottsdale shall reasonably rely upon the Certificate of Insurance as evidence of coverage but this acceptance and reliance shall not waive or alter in any way the insurance requirements or obligations of this Agreement. If any of the above cited policies expire during the life

of this Agreement, it is Agency's responsibility to forward renewal Certificates within ten (10) days after the renewal date containing all the aforementioned insurance provisions. Certificates shall specifically cite the following provisions endorsed to the Agency's policy and shall be submitted in the form shown in Exhibit C, attached, which is incorporated in this Agreement by this reference.

1. City of Scottsdale, its agents, representatives, officers, directors, officials and employees shall be named an Additional Insured under the following policies:
 - a) Commercial General Liability
 - b) Auto Liability
 - c) Excess Liability - Follow Form to underlying insurance as required.
2. Agency's insurance shall be primary insurance as respects performance of subject Agreement.
3. All policies, except Professional Liability insurance, if applicable, waive rights of recovery (subrogation) against City of Scottsdale, its agents, representatives, officers, directors, officials and employees for any claims arising out of work or services performed by Agency under this Agreement.
4. If the Agency receives notice that any of the required policies of insurance are materially reduced or cancelled, it will be the Agency's responsibility to provide prompt notice of same to the City, unless such coverage is immediately replaced with similar policies.

5.2 REQUIRED COVERAGE

- 5.2.1 Commercial General Liability: Agency shall maintain "occurrence" form Commercial General Liability insurance with a limit of not less than \$1,000,000 for each occurrence, \$2,000,000 Products and Completed Operations Annual Aggregate, and a \$2,000,000 General Aggregate Limit. The policy shall cover liability arising from premises, operations, independent contractors, products-completed operations, personal injury and advertising injury. If any Excess insurance is utilized to fulfill the requirements of this section, the Excess insurance shall be "follow form" equal or broader in coverage scope than underlying.
- 5.2.2 Professional Liability: If the Agreement is the subject of any professional services or work, or if Agency engages in any professional services or work adjunct or residual to performing the work under this Agreement, Agency shall maintain Professional Liability insurance covering errors and omissions arising out of the work or services performed by Agency, or anyone employed by Agency, or anyone for whose acts, mistakes, errors and omissions Agency is legally liable, with a liability insurance limit of \$1,000,000 each claim and \$2,000,000 all claims.

5.2.3 Vehicle Liability: Agency must maintain Business Automobile Liability insurance with a limit of \$1,000,000 each occurrence on Agency's owned, hired, and non-owned vehicles assigned to or used in the performance of the Agency's work or services under this Agreement. If any hazardous material, as defined by any local, state or federal authority, is the subject, or transported, in the performance of this Agreement, an MCS 90 endorsement is required providing \$5,000,000 per occurrence limits of liability for bodily injury and property damage. If any Excess insurance is utilized to fulfill the requirements of this section, the Excess insurance must be "follow form" equal or broader in coverage scope than underlying.

5.2.4 Worker's Compensation Insurance: Agency shall maintain Workers Compensation insurance to cover obligations imposed by federal and state statutes having jurisdiction of Agency's employees engaged in the performance of work or services under this Agreement and shall also maintain Employers Liability Insurance of not less than \$100,000 for each accident, \$100,000 disease for each employee and \$500,000 disease policy limit.
